Forum For Emerging Environmental Leaders

Only a few spots left!

Full time students can apply for a Globe 2010 pass free of charge! Globe 2010 passes available for other Forum participants at a reduced cost for a limited

This one day Forum will challenge 100 emerging leaders to start creating the Green Economy today.

The event will connect the next generation of community leaders, policy thinkers and entrepreneurs with established political and business leaders.

Results of the Forum include new employment opportunities, a new network of leaders, new community project ideas, and new knowledge about sustainable economic growth.
