### The Delphi Group wins the Outstanding Technology Company Award

Ottawa, ON, 20.11.09 – The Delphi Group is pleased to announce that it has won the Outstanding Technology Company Award. The award is presented by the IEEE, Ottawa Section and was awarded to Delphi in recognition of the solutions it provides in the areas of climate change, corporate sustainability and community enhancement.

The award was presented at the IEEE Ottawa Section annual general meeting celebrating the 125<sup>th</sup> anniversary of the IEEE organization, and the 60<sup>th</sup> anniversary for the Ottawa Section.
